かったが、その間にゆっくり内容を吟味できたということ。
- 問4 ツイッター社が彼女にいったん思案するように要求し、その後自分がつぶやこうとしていることが大丈夫な
のか彼女に聞いていたとしたらどうだっただろうか。
- 問5 3・5

[III]

It seems that many Japanese people today are losing their goals to live. How did our ancestors go through such a situation? I will review our history to find the solution. I want to learn from young Genjo's courage and effort with which he kept on trying alone to achieve his great goal.

[IV]

(例1) I prefer to wear a school uniform in high school. If my school requires me to wear plain clothes there, I have to spend much time choosing what clothes I wear. Then, I would be busy and tired every weekday morning. So, I want to go to high school in a school uniform.

(53 語)

(例2) I prefer to wear plain clothes in high school. The school uniform is expensive. What is more, I can't buy another uniform immediately if I get taller and the former one doesn't fit me. It also costs more to take it to the cleaner's. I don't want to put more financial burden on my parents.

(55 語)
